## Intimation.

THE LATE MISS BAXTER.  
We, the undersigned, having been designated  
as her Estate Agents to make such arrangements  
as we might deem necessary in regard to the  
Orphans and their Children whom she had from  
time to time received under her protection, take  
the liberty of giving notice to the community that  
the property of the late Miss Baxter, the  
estate and the measures we have adopted.

It was evident to us on enquiry and examination  
that the number of Children congregated in  
Miss Baxter's House, in the year of her death, was  
too large and the resources at her disposal too  
limited to admit of the Children being properly  
nourished, fed, clothed and educated.

It was therefore decided to reduce the num-  
ber of Girls and Boys, with the result that the  
whole list as would, with the necessary assistance  
we might hope to receive, enable us to do justice  
to the remaining Children.

In the interests of the Children it was re-  
solved that we were bound to refer to those who had  
been the greatest friends of solicitude  
and anxiety to the late Miss Baxter.

As a temporary measure, but with the con-  
sent of the Friends, the Building, which  
in England, has been arranged through  
the kindness of the Committee and Trustees of the  
Bogus National Maritime Training School, that  
the Girls and Boys may be admitted to their  
Building under the care of Miss ORLON, we  
guaranteeing to hold the institution free from  
all expenses attendant upon the arrangement.

The Boys remain here in a similar manner  
upon the same conditions, and we trust the  
Fathers of the Children will be satisfied.

The School Master and his Wife, also lately  
arrived here, will be engaged by the male  
Master of the late Miss Baxter.

These measures enable us to shew the two  
School Houses this day and to effect a sav-  
ing of about \$100 per month in School Master's  
Salary. The Girls will, of course, bear their  
other expense incidental to a large Establish-  
ment.

In regard to the funds for carrying out these  
arrangements, we trust that the public interest  
and our own economy has been exercised, there is, in  
fact, no expense but that of the interest on the  
debt of \$100,000.

The interest and responsibility of the undersigned  
Mr. THOMAS GARDNER, in our Firm ceased on  
the 31st May, 1860, and is now in full  
charge of Mr. J. P. JACOBS, who, in our

## Notices of Firms.

WE have this day established ourselves in  
Shanghai as PEBBLE, TEE & INGERSOLL,  
GENERAL IMPORTERS AND COMMISSION  
AGENTS, under the style and firm of MOUNT-  
LYAN & SONS.

WALTER MOURILAN,  
W. E. B. SAMS.

3rd Floor, Shanghai, 1st August, 1861.

M. H. BOURGEOIS has this day been  
authorized to sign our Firm.

M. BOURGEOIS & CO.,  
1861, Hongkong, 4th August, 1861.

THE INTEREST and responsibility of Mr. W.  
HALLENBERG, in our Firm has ceased.

W. GROSSER & CO.

Japan, 31st December, 1860.

M. H. BOURGEOIS has this day been admitted  
a Partner in our Firm, to increase the num-  
ber of Girls and Boys, with the result that the  
whole list as would, with the necessary assistance  
we might hope to receive, enable us to do justice  
to the remaining Children.

In the interests of the Children it was re-  
solved that we were bound to refer to those who had  
been the greatest friends of solicitude  
and anxiety to the late Miss Baxter.

As a temporary measure, but with the con-  
sent of the Friends, the Building, which  
in England, has been arranged through  
the kindness of the Committee and Trustees of the  
Bogus National Maritime Training School, that  
the Girls and Boys may be admitted to their  
Building under the care of Miss ORLON, we  
guaranteeing to hold the institution free from  
all expenses attendant upon the arrangement.

The Boys remain here in a similar manner  
upon the same conditions, and we trust the  
Fathers of the Children will be satisfied.

The School Master and his Wife, also lately  
arrived here, will be engaged by the male  
Master of the late Miss Baxter.

These measures enable us to shew the two  
School Houses this day and to effect a sav-  
ing of about \$100 per month in School Master's  
Salary. The Girls will, of course, bear their  
other expense incidental to a large Establish-  
ment.

In regard to the funds for carrying out these  
arrangements, we trust that the public interest  
and our own economy has been exercised, there is, in  
fact, no expense but that of the interest on the  
debt of \$100,000.

The interest and responsibility of the undersigned  
Mr. THOMAS GARDNER, in our Firm ceased on  
the 31st May, 1860, and is now in full  
charge of Mr. J. P. JACOBS, who, in our  
own account, all liabilities are taken over and will be  
settled by him.

1861, Aug. 1st, 1861.
